Town and Country Planning Act 1990 (as amended) Re: Discharge Points into Eastwood Brook

I refer to your letter of 7th August 2014, addressed to the Council's Freedom of Information Team. As planning information is already publicly available the Freedom of Information Act provisions do not apply in this case. Your letter has thus been passed to me for response.

I have been made aware that the discharge point to which you refer (which was agreed in relation to planning permission 09/01960/FULM) has not been implemented. The Council has not received (or granted) a variation to the drainage details originally agreed, nor has it agreed to postpone implementation.

As you note, the Environment Agency (EA) are aware of the current position, and the Council will take advice from the EA on such issues.

I hope this information is of use.

Yours sincerely

A handwritten signature in black ink, appearing to be 'P. Geraghty', written over a light blue rectangular area.
